

# ROOM 202

Mrs. Severe and Ms. Delange

## This Week!

I hope that everyone enjoyed the Thanksgiving holiday break! The students have come back to school ready to work and are doing very well. We have three weeks before winter break. The last day of school before break will be December 18<sup>th</sup>. We will resume school on January 4<sup>th</sup>.

We are studying the continent of Asia and will begin studying the country, China. We will be working on a project that correlates with this country and would welcome any **donations of building material**.

**We are also collecting soup cans** for a holiday project we will be completing. We are grateful for anything that you can contribute.

## Chilly Days

With the arrival of cold, icy days, please remember to send appropriate clothing. If students wear snow boots, you may send another pair of shoes to wear inside the classroom. Students will be allowed to change their shoes before and after going outside. Students may wear a jacket inside of the classroom, but I ask that mittens and beanies are left in their cubbies.

## Remember to check out the “Class Happenings” on the Wiki!

I spoke with many of you at parent/teacher conference about the class wiki. Please take a moment to look at it. There are helpful links, newsletters, and pictures of work students are completing. The address is listed below.

If you have any questions or concerns, please do not hesitate to contact me. The best way to contact me is by email. Please see my email address and the Wiki address at the bottom of this newsletter.
